

Conquer the Cold with the Kishigo Polar Shield Parka

When the forecast dips and you're up against freezing temperatures, there's only one jacket for the job—the JS157 Premium Black Series® Polar Shield Parka. Crafted with high-quality materials, it'll keep you warm for seasons to come.

PERFORMANCE FEATURES & BENEFITS

- < Sustainable Polartec® Power Fill™ insulation ensures maximum warmth whenever you need it.
- < Crafted from water-resistant 300D Ripstop for superior durability.
- < Water-resistant, seam-sealed construction keeps you dry in rain and snow.
- < Storm flap features no-fuss magnetic closures and is extra-wide and insulated to keep the cold out.
- < Magnetic side slits offer increased comfort and mobility when sitting or kneeling.
- < Hood is insulated, adjustable, and even detaches for unobstructed peripheral vision.
- < Extra-long, ribbed cuffs with thumbholes keep the cold out, while locking in the heat.

POCKETS

- < With 4 strategically-placed, zippered, front pockets, you'll have more than enough room for tools and keeping your hands warm.
- < Back pouch features dual-side access and dropped depth to comfortably hold tablets and blueprints.
- < Retractable ID holder lets you show off your credentials on the job, and hide them later to help keep your identity safe.
